

HOW TO MEASURE YOUR RING SIZE

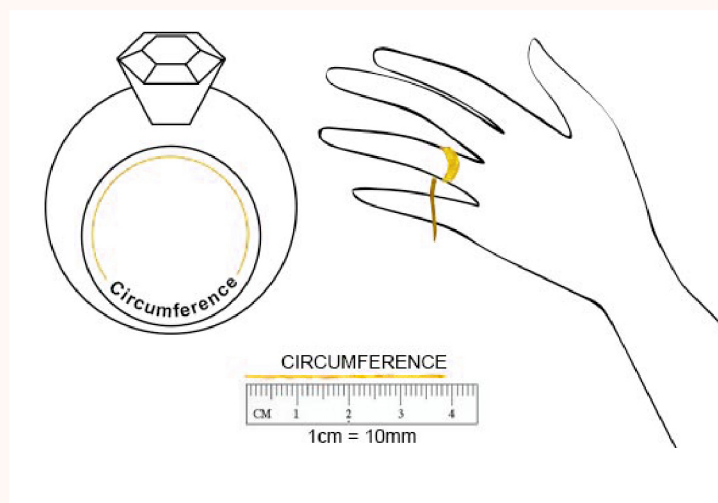

The ones purchasing a ring for the first time kindly follow the steps mentioned below -

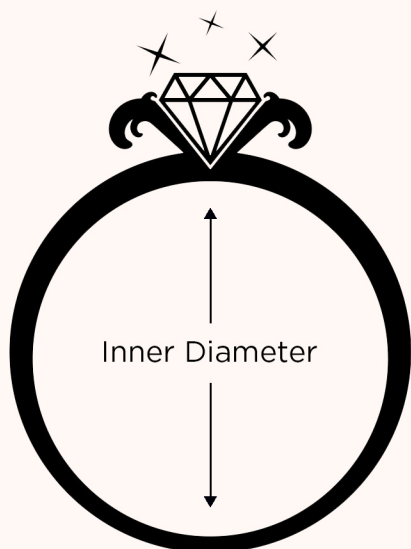

STEP-1: Take a thread and wrap it around your finger above the knuckle as shown above.

STEP-2: Take a note and mark the ends of the thread that fully cover the circumference of your finger as shown above.

STEP-3: Place the edges on the ruler and you will get the diameter which will help you to find out the size using the chart shown below.

The ones already having a ring, kindly follow the steps mentioned below:

STEP-1: Take an existing ring and a ruler; place the ring on the ruler in the way mentioned on the left hand side image.

STEP-2: Place the longest gap of the ring on the ruler to find out the exact measurement.

STEP-3: The size which you observe with the help of a ruler is the Inner Diameter of the ring.

STEP-4: Use the Diameter of the ring to find out the size in the chart given below.
