Defence min gives record ₹1 trn orders on GeM portal

FE BUREAU
New Delhi, February 14

THE DEFENCE MINISTRY'S procurement through Government e-Marketplace, a public procurement platform, has crossed ₹1 trillion. Around half of the total amount recorded in the current financial year.

"From procurement of general store items like eggs to missile systems and critical defence acquisitions, GeM has helped MoD execute more than 0.5 million orders. Of this, transactions worth around ₹45,800 crore have been awarded in the current financial year," according to a commerce ministry statement.

A MILESTONE

■ Over 0.5 million orders executed through Government e-Marketplace

■ Transactions worth around ₹45,800 crore awarded in FY24

■ Around 50.7% of the total orders worth ₹60,593 crore awarded to micro and small enterprises

Since its launch in 2016, the procurement through the portal has scaled up fast. This year, the total order value transacted or gross merchandise value is expected to touch ₹4 trillion, almost double of ₹2 trillion done in the last financial year. In 2022-23 also, the procurement through the platform had doubled from ₹1.06 trillion in 2021-22.

Already till February 12, procurement through GeM has crossed ₹3 trillion. Till date, GeM has linked 2 million sellers of goods and services who have access to more than 0.3 million government buyers — primary and secondary. The platform showcases 12,200 products and services categories.

Finance Commission holds first meeting on terms of reference

IN ITS FIRST meeting after its constitution, the Sixteenth Finance Commission headed by Arvind Panagariya on Wednesday discussed the terms of reference (ToR) and plans for wide-ranging consultations with

various stakeholders, including states, local bodies, central government ministries and experts. The commission will come out with its recommendations by October 31, 2025, on the central tax devolution formula and

grants-in-aid to states for five years commencing April 1, 2026. The ToR for the Sixteenth Finance Commission has been kept shorter than the previous Commissions as desired by states. "The XVI-FC recognised

that it will be carrying out detailed analytical work and would require to rope in all the expertise that it can garner, including that from leading research organisations, leading think tanks and other organisa-

tions working in the area of fiscal federal relations," according to an official statement. The chairman and other members would hold office from the date on which they respectively assume office up to the

date of submission of the report or October 31, 2025, whichever is earlier. The ToR for the Sixteenth Finance Commission has been kept shorter than the previous Commissions as desired by states. — FE BUREAU
